

Summer :: 1-Day Agenda

- If the kids are up early, grab a cup of coffee to go from the Falling Rock Café and Bookstore and head to Eagle Falls Adventure Golf. A round of Putt-Putt will put everyone in a great mood.
- Next, take a Shipwreck Tour and see why the Alger Preserve is a destination for many divers to see sunken ships.
- Walk downtown to People's State Bank and see the propeller blades from the Kiowa in the beautiful community fountain.
- Stop in to have lunch at the Coffee Cantata. They have fresh salads and sandwiches. Have an ice cream to go and continue the downtown.
- If just riding above the shipwrecks isn't enough, suit up and dive down in the Alger Underwater Preserve to get a closer look.
- Dry off and grab a bite at the Navigator Restaurant.
- For true beauty, take a ride on the Sunset Cruise at the Pictured Rocks Cruise's. It is hard to find a vision more glorious than the golden sunset reflecting off of the copper colored cliffs of the National Pictured Rocks Lakeshore.
- Grab some literature and start planning fall color
